Doing **BUSINESS**

Launching business in Ukraine
on a turn-key basis

An aerial night photograph of a city. In the foreground, a large, ornate, curved building with a prominent dome is illuminated. The building has classical architectural features, including columns and a pediment. To the right of the building is a large, circular plaza or roundabout with a central fountain area. The background shows a harbor with several large industrial structures, possibly grain elevators or silos, and a bridge with a cable-stayed design. The city lights are reflected in the water. A semi-transparent text box is overlaid on the right side of the image.

Since 1995 our core expertise is launching business in Ukraine for our international clients
