- Literature
- Cases from practice, what to look for when carrying out draft surveys

A large cargo ship is shown from an elevated perspective, sailing on a calm body of water. The ship has a dark hull and a white superstructure. The background features a range of mountains under a cloudy sky. The text 'Training course results:' is overlaid on the left side of the image.

Training course results:

- Your company's employees will learn how to make decisions in difficult and untypical situations
- Your personnel will make no mistakes so you will save time and money
- Participants to the training course imagine certain practical cases and receive answers to all the questions they might face in future

A large cargo ship is shown from an elevated perspective, sailing on a deep blue sea. The ship has a dark hull and a white superstructure. It is loaded with several large, rectangular cargo containers. The background features a wide expanse of water with small islands and a range of low mountains under a sky with scattered clouds. The overall scene is captured in a cinematic, slightly desaturated style.

Training course format:

- Unlimited participants
- Offline format
- 6 hours with two 30-minute breaks
- On-line is possible at any place agreed by the client
