

Special offer for the Black Sea Grain 2018 attendants

Interlegal drafted a special offer for the attendants of the XV Conference Black Sea Grain 2018, engaged in the international grains and oilseeds trade.

#1. Cost refund from the Baltic banks (ABLV, Rietumu, Versobank).

If your company faced crisis at the Baltic banks, our lawyers are ready to provide prompt legal assistance in cost refund, in any amount, including exceeding the guaranteed 100 000 EUR. Decades of cooperation with several banks facilitated the quicker and the proper drafting of necessary documents.

We know exactly where you can open bank account in order to obtain a guaranteed deposit and exceeding amount.

#2. Opening companies and accounts in Georgia for business activity

It is solely an individual issue of choosing a jurisdiction for business making, since it depends on several factors. But today we recommend the best option – to open companies in Georgia and accounts at Bank of Georgia and TBC.

Due to Interlegal own office in Georgia, you do not need to arrive there in person for opening the company and the account. We will render a full set of services.

#3. Legal support of GAFTA and FOSFA contracts performance, claims handling and dispute settlement in arbitration proceedings.

If you entrust us one or all your GAFTA and FOSFA commercial contracts, you will obtain professional legal support of 50 Interlegal experts from 5 Black Sea offices and 29 offices worldwide. We may guarantee your peace of mind by means of our 23-year experience.

In 2017 our clients obtained an expected result, without the need to bear arbitration costs in 78% of pretrial settlements (88 cases). We gained also new experience in commercial contract support by means of LegalCare program (34 cases) and operation in commercial arbitrations (25 cases).

#4. Cargo and vessel release from unlawful arrest

We are ready to confront any attack on your cargo at any Black Sea terminal. Every week, our lawyers release cargos and vessels from unlawful arrest and facilitate their sailing to destination ports. We are the quickest in such case settlement (20 cases on ship arrest and 34 cases on cargo release in 2017).

We are ready to provide reliable recommendations from market leaders.

#5. Training courses upon GAFTA and FOSFA contracts performance

Your company's employees will update their knowledge, will receive answers to all the vital questions and will train to solve practical tasks. Our manuals are actual case studies of the last seasons, while our trainers are practicing experts who solved them successfully.

It is obviously better to study and to teach your employees on the basis of someone's experience.
