

Interlegal

China Desk

Your Legal Voice
in China

International business development among our Clients should take into account unique specifications of Chinese partners, counteragents and local legislation.

Therefore, creation of a separate team of experts in Chinese law, aimed at legal support of business in China, is an obvious stage in Interlegal promotion

Trade schemes and local legislation

- Memoranda and legal advice upon Chinese legislation;
- Analysis of trade schemes and contracts governed by Chinese legislation;
- Consulting upon issuing certificates, licenses and quotas required for export/import;
- Consulting upon clearance of goods, assistance in choosing the optimal payment mechanism (cash in advance, open account, T/T, L/C, CAD)
- Amendments to documents and control over legal specifications of local legislation;
- Full legal support of commercial transactions

Investment & transactions

- Due diligence of Chinese counteragent (i.e. checking the company registration, its property status, judicial and enforcement proceedings against the counteragent);
- Legal support of asset sale & purchase in China;
- Company registration, opening bank account, employment, trademark registration in China;
- Consulting upon tax planning, customs law and commercial transactions;

Business legal defense

- Pretrial dispute settlement with counteragent and debt recovery;
- Seizure & release of assets in China;
- Dispute settlement with customs / tax agencies;
- Defense under judicial / arbitration proceedings with Chinese counteragents involved;
- Enforcement of judicial / arbitration awards in China
