

Interlegal

since 1995

**Course for all merchant
marine officers:**

**“Maritime Conventions’ Introduction
& Update”**

We train employees of shipping and crewing companies basing on real practice and real cases.

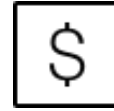

Training course for all merchant officers:

- ✓ General concepts about IMO Conventions, how IMO works
- ✓ Difference between Conventions, Guidelines, Resolutions and Circulars
- ✓ SOLAS - structure, main provisions, new in the Convention
- ✓ MARPOL - structure, main provisions, new in the Convention
 - *Why is MARPOL important?*
 - *Why is MARPOL only about the ship and its activities, and not about the whole ecology?*
 - *Nuances of Appendices 1-4 to the MARPOL Convention; nuances of applications 5-6, sampling, logs.*
- ✓ Ballast Convention - structure, main provisions, new in the Convention
- ✓ Anti-fouling Convention - structure, fundamentals, new in The convention
 - *Brief description and basic requirements*
 - *Where does it apply and what ships does it applies to?*
 - *Survey and certification, nuances and declarations.*
- ✓ STCW - structure, fundamentals, new in the Convention
- ✓ Maritime Labour Convention – structure, main provisions, new in the Convention
- ✓ Flag, Port, Coastal States – functions, current practice, delegation of Flag authority
- ✓ PSC from the IMO point of view
 - *What is it and why is it inevitable?*
 - *The nuances of inspections according to the requirements of MARPOL and other conventions.*
- ✓ Investigation of accidents
 - *How to behave in the event of an incident / accident with your vessel?*
 - *How can an accident investigation in different ways affect you?*
 - *Whose recommendations should you follow first?*
- ✓ Analysis of the most typical accidents
- ✓ Risk assessment

Training course results:

Your company's employees will learn how to make decisions in difficult and untypical situations

Your personnel will make no mistakes so you will save time and money

Participants to the training course imagine certain practical cases and receive answers to all the questions they might face in future

Why Interlegal?

We are practical

We teach your employees only on the basis of actual case studies from our daily practice since 1995

We are flexible

This program is always adjusted for the customer, its personnel and its needs. We give answers to your certain questions both before and after the training course

We are aimed at result

Our result is your saving, because even one precise answer may save costs, time and relationships
