RECOGNITION & ENFORCEMENT in UKRAINE

Your Single Legal Window in Ukraine

We can recognize and enforce the international arbitration awards and foreign court decisions in Ukraine if:

Your opponent is a
company, registered
in Ukraine

Your opponent has
property in Ukraine

There is at least 10%
of Ukrainian share
in stock

Executor has right to obtain information regarding Debtor's property, assets etc. Of course any property can be arrested, but within the amount of outstanding debt. Arrested property can be sold at auction and the obtained money for this property is to be remittance to the Creditor.

Also, the executor has right to write off money from the Debtor's account in favour of the Creditor. So if the Debtor receives money to his bank account regularly, than all sum can be recovered by this way.
